

Lealer Flaws

Histotechnician

Profile

Dedicated and skilled Histotechnician with 2 years of experience in preparing and processing tissue samples for microscopic examination. Proficient in various histology techniques, including embedding, microtomy, and staining, ensuring accurate and timely results. Adept in maintaining laboratory equipment and adhering to safety protocols. Strong team player and effective communicator, committed to delivering high-quality work in a fast-paced laboratory environment.

Employment History

Histotechnician at LabCorp, CT

May 2023 - Present

- Successfully processed and analyzed over 500 histology samples per month, ensuring timely and accurate results for patients and healthcare providers.
- Implemented a new staining technique that increased the efficiency of the lab by 20%, reducing turnaround times for test results and improving overall productivity.
- Led a team of 5 junior histotechnicians in a major quality control project, resulting in a 15% reduction in sample errors and a 10% improvement in overall lab accuracy.

Histotechnician Assistant at Quest Diagnostics, CT

Jul 2021 - Mar 2023

- Successfully processed over 10,000 tissue specimens annually, maintaining a 99% accuracy rate and contributing to the timely diagnosis of patients.
- Streamlined the laboratory workflow by implementing an efficient inventory management system, resulting in a 20% reduction in supply expenses and a 15% increase in overall productivity.
- Collaborated with a team of 5 histotechnicians to achieve a 95% on-time completion rate for all projects, ensuring that diagnostic reports were delivered to healthcare providers within established timeframes.
- Conducted a comprehensive review of laboratory safety protocols and identified areas for improvement, leading to a 30% decrease in workplace accidents and a safer working environment for all staff members.

Certificates

American Society for Clinical Pathology (ASCP) Histotechnician Certification

Feb 2022
