EMPLOYMENT HISTORY

● HSE Advisor at Safety Management Group, KY

May 2023 - Present

- Reduced workplace accidents by 30% in 2019 by implementing comprehensive safety training programs and conducting regular site inspections, resulting in a safer work environment for over 500 employees.
- Achieved a 95% compliance rate with OSHA standards in 2018 by collaborating with management to develop and enforce robust safety policies, leading to a significant reduction in citations and fines for the company.
- Successfully managed and executed 100+ safety audits and risk assessments in 2020, identifying potential hazards and recommending corrective actions that increased overall workplace safety and employee satisfaction.

● Junior HSE Advisor at Kelley Construction, KY

Jul 2021 - Apr 2023

- Successfully implemented a new safety training program for over 100 employees, resulting in a 25% reduction in workplace accidents within the first six months.
- Conducted thorough risk assessments for 30+ job sites, leading to the identification and mitigation of potential hazards and contributing to a 15% decrease in reported incidents.
- Developed and maintained a comprehensive HSE database, streamlining incident reporting and analysis for more than 200 projects, improving efficiency by 20%.
- Coordinated and led quarterly safety meetings with cross-functional teams, fostering open communication and collaboration, and ultimately increasing overall safety awareness by 30%.
