Profile

An HSE Coordinator with 2 years of experience in efficiently implementing safety programs, conducting risk assessments, and ensuring compliance with industry regulations. Proficient in coordinating safety training, monitoring safety performance, and promoting a culture of safety within the organization. Adept at identifying and mitigating potential hazards, collaborating with cross-functional teams, and maintaining accurate safety records. Demonstrates strong analytical, communication, and problem-solving skills while striving for continuous improvement in health, safety, and environmental practices.

Employment History

HSE Coordinator at Safeguard HSE Solutions, OH

Feb 2023 - Present

- Successfully implemented a comprehensive safety program that reduced workplace accidents by 35% within one year, resulting in decreased workers' compensation costs and improved employee morale.
- Conducted over 200 safety audits and inspections across various worksites, identifying and addressing potential hazards and ensuring compliance with OSHA regulations, leading to a 25% reduction in safety violations.
- Developed and delivered training programs to over 500 employees, increasing overall safety awareness and contributing to a 40% improvement in safety performance metrics.

Assistant HSE Coordinator at Ohio HSE Consultants, OH

Jul 2021 - Dec 2022

- Successfully implemented a new safety training program for over 200 employees, resulting in a 30% reduction in workplace accidents and injuries within the first year.
- Conducted thorough risk assessments for 50+ clients, identifying and addressing potential hazards and ensuring compliance with OSHA regulations, leading to a 40% decrease in reported incidents.
- Coordinated and managed the annual HSE audit process for Ohio HSE Consultants, achieving a 95% compliance rate and recognition as a top-performing company in the industry.
