EMPLOYMENT HISTORY

● HVAC Installer at Four Seasons Heating & Air Conditioning, WI

Mar 2023 - Present

- Successfully installed over 250 HVAC systems for residential and commercial clients, contributing to a 20% increase in annual revenue for Four Seasons Heating & Air Conditioning.
- Efficiently reduced average installation time by 15% through the implementation of improved project management and planning strategies, resulting in higher customer satisfaction rates and positive reviews.
- Identified and resolved over 100 complex technical issues related to HVAC equipment and installations, leading to a 10% decrease in service call-backs and increased client trust in the company's expertise.
- Actively participated in the training and mentoring of 6 new HVAC installers, enhancing the overall skillset of the team and ensuring all members were well-versed in the latest industry best practices and techniques.

● HVAC Installer Apprentice at Harker Heating & Cooling, WI

Jul 2022 - Feb 2023

- Successfully completed over 150 HVAC installations within the first year of apprenticeship, ensuring proper functioning and energy efficiency for clients in the Wisconsin area.
- Consistently maintained a 98% customer satisfaction rate throughout the apprenticeship, contributing to the company's reputation for excellent service and quality work.
- Assisted in reducing service callbacks by 20% through diligent attention to detail and thorough communication with the lead installer, resulting in increased efficiency and reduced costs for Harker Heating & Cooling.
- Earned recognition as "Apprentice of the Month" twice during the apprenticeship period for outstanding performance, dedication to continuous learning, and commitment to providing exceptional customer service.
