PROFILE

In House Counsel with 5 years of experience providing comprehensive legal support and strategic guidance to corporations. Expertise in contract negotiation, regulatory compliance, risk management, and intellectual property protection. Proven track record in successfully resolving disputes and mitigating legal risks, while fostering a culture of corporate ethics and integrity. Strong analytical and problem-solving skills, with a commitment to delivering practical and cost-effective legal solutions to drive business growth and protect organizational interests.

EMPLOYMENT HISTORY

● General Counsel at UnitedHealth Group, MN

Apr 2023 - Present

- Successfully negotiated and closed a \$4.9 billion acquisition of DaVita Medical Group, expanding UnitedHealth Group's healthcare services and improving care quality for over 1.7 million patients annually.
- Implemented a comprehensive compliance program that reduced legal risks by 35%, resulting in annual cost savings of \$15 million and significantly improving the company's legal and regulatory standing.
- Led a team of 50+ attorneys and legal professionals to resolve more than 300 complex litigation cases within two years, achieving an 80% success rate and saving the company over \$100 million in potential damages.

● Associate General Counsel at 3M Company, MN

Aug 2018 - Feb 2023

- Successfully negotiated and closed a \$6.7 billion acquisition deal, which led to a 15% increase in the company's annual revenue and expanded its product portfolio across multiple industries.
- Streamlined the legal review process for contracts and reduced the average turnaround time by 30%, resulting in improved efficiency and cost savings of \$2 million annually for the company.
- Implemented a comprehensive compliance program that reduced legal risks by 25%, leading to a decrease in potential fines and litigation costs by an estimated \$5 million over three years.
