Profile

Intellectual Property Attorney with 2 years of experience in providing legal counsel and support for various IP matters, including patents, trademarks, and copyrights. Demonstrated expertise in patent prosecution, trademark registration, and IP litigation. Skilled in conducting IP due diligence, drafting agreements, and advising clients on IP strategy and portfolio management. Proficient in working with diverse industries, and committed to protecting and maximizing the value of clients' intellectual property assets.

Employment History

Intellectual Property Attorney at Lowe Graham Jones, WA

Mar 2023 - Present

- Successfully negotiated and secured a \$2 million patent licensing deal for a client in the software industry, resulting in a significant increase in revenue for their business.
- Managed a high-profile trademark infringement case for a major consumer goods company, achieving a favorable settlement of \$500,000 and preventing further unauthorized use of the client's intellectual property.
- Spearheaded an international patent filing strategy for a biotechnology startup, leading to the successful granting of patents in over 15 countries and providing crucial protection for the company's innovative technologies.
- Conducted comprehensive IP audits for multiple clients, identifying and addressing potential risks and vulnerabilities, ultimately saving them from costly litigation and potential damages.

Associate Intellectual Property Attorney at Seed IP Law Group, WA

Sep 2021 - Feb 2023

- Successfully managed a portfolio of over 100 patent applications, resulting in a 95% grant rate and generating significant revenue for clients.
- Conducted extensive IP due diligence for a \$500 million technology acquisition, identifying potential risks and ensuring a smooth transaction for the involved parties.
- Spearheaded a team of junior attorneys in handling complex patent litigation cases, achieving favorable outcomes in 80% of the cases and saving clients millions of dollars in potential damages.
- Developed and implemented comprehensive IP strategies for 50+ startups, securing valuable IP assets and positioning them for successful funding rounds and market entry.
