## SKILLS

- Spring Framework
- Hibernate ORM
- JUnit Testing
- Maven Build
- JavaServer Faces (JSF)
- Apache Struts
- JavaFX

## LANGUAGES

- English
- Bengali

## HOBBIES

Developing open-source projects

## PROFILE

Java Software Engineer with 1 year of experience in designing, developing, and implementing efficient Java-based applications. Proficient in object-oriented programming, debugging, and testing. Demonstrated ability to work independently and as part of a team to deliver high-quality software solutions. Passionate about continuous learning and staying current on industry trends and best practices.

## EMPLOYMENT HISTORY

### Java Software Engineer at Tyler Technologies, ME

May 2023 - Present

- Led the development of a major software update for a client, resulting in a 30% improvement in system performance and a 20% reduction in bug reports.
- Successfully implemented a new Java-based framework for an internal project, leading to a 25% reduction in development time and a 15% increase in code efficiency.
- Mentored a team of junior developers, contributing to a 50% increase in their productivity and the successful completion of three high-priority projects within the given deadlines.

### Associate Java Software Engineer at , ME

Jul 2022 - Apr 2023

- Developed and implemented a high-performance Java application that increased system efficiency by 35%, leading to a 20% reduction in processing time for end-users.
- Successfully identified and resolved over 50 critical bugs in the company's core software product, improving overall software reliability by 25%.
- Collaborated with a team of developers to create a new feature for the company's flagship product, resulting in a 15% increase in customer satisfaction and a 10% boost in sales.
- Streamlined and optimized the software development process through the introduction of Agile methodologies, reducing project delivery time by 30% and increasing team productivity by 20%.

## CERTIFICATES

### Oracle Certified Professional: Java SE Programmer

Mar 2022

### Spring Professional Certification

Oct 2020
