EMPLOYMENT HISTORY

Junior Analyst at Boston Consulting Group, MA

May 2023 - Present

- Led a team of 5 analysts in a market research project that resulted in the identification of 3 new growth opportunities for a $50M client, increasing their annual revenue by 15%.
- Conducted a comprehensive competitor analysis for a major retail client, leading to the development and implementation of a new pricing strategy that increased their market share by 8% within six months.
- Streamlined data visualization processes for client presentations, reducing turnaround time by 30% and improving overall team efficiency.

Associate Analyst at Fidelity Investments, MA

Aug 2022 - Apr 2023

- Successfully identified and resolved over 100 discrepancies in financial data, resulting in a 20% improvement in data accuracy and contributing to better-informed investment decisions.
- Streamlined the analysis process by developing and implementing an automated reporting tool, reducing the time spent on report generation by 50% and increasing overall team productivity.
- Collaborated with cross-functional teams to complete a comprehensive review of a $500 million portfolio, identifying potential risks and opportunities, and providing actionable recommendations for improvement.
- Played a key role in the successful acquisition of a new client worth $50 million in assets under management, by conducting thorough due diligence and creating persuasive pitch materials.
