

Francina Gunnoe

Lab Coordinator

Profile

Dedicated Lab Coordinator with 2 years of experience in managing laboratory operations, maintaining equipment, and ensuring regulatory compliance. Adept at streamlining processes, training personnel, and conducting research to optimize lab efficiency. Proven track record of implementing safety protocols and fostering a collaborative environment to support scientific advancements.

Employment History

Lab Coordinator at Charles River Laboratories, MA

May 2023 - Present

- Successfully managed a team of 10 laboratory technicians, resulting in a 20% increase in overall lab efficiency and a 15% reduction in error rates within the first year.
- Implemented a new inventory management system that streamlined the tracking of lab supplies and equipment, reducing costs by 30% and saving the company over \$50,000 annually.
- Coordinated and executed a major lab renovation project, completed on time and under budget, which improved the lab's capacity by 40% and increased overall productivity by 25%.

Assistant Lab Coordinator at Biogen, MA

Sep 2021 - Apr 2023

- Successfully streamlined lab processes, resulting in a 20% increase in overall efficiency and reducing turnaround time by 15% for critical experiments.
- Implemented a new inventory management system, leading to a 30% reduction in supply costs and a 25% decrease in waste generated.
- Coordinated and managed the training of over 50 new lab personnel, contributing to a 10% increase in overall lab productivity and a 5% decrease in safety incidents.
- Played a key role in the successful completion of three major research projects, contributing to the publication of two peer-reviewed articles and securing \$500,000 in additional grant funding.

Certificates

Certified Laboratory Equipment Specialist (CLES)

Dec 2021

American Society for Clinical Pathology (ASCP) Lab Management Certification

Mar 2020
