

Elita Lanfranco

Lab Technician

Profile

Diligent Lab Technician with 1 year of experience in performing laboratory tests, analyzing samples, and ensuring accurate results. Proficient in various laboratory techniques and equipment, maintaining a safe and organized work environment, and contributing to research projects. Highly skilled in problem-solving, attention to detail, and efficient time management. Committed to continuous learning and professional development in the field of laboratory science.

Employment History

Lab Technician at LabCorp, NY

May 2023 - Present

- Successfully processed over 1,500 patient samples per week, ensuring timely and accurate diagnostic results for healthcare providers and patients in the New York area.
- Implemented new laboratory procedures that increased efficiency by 20%, reducing turnaround time for test results and improving overall customer satisfaction.
- Trained and mentored five new lab technicians, contributing to a 30% increase in overall lab productivity and ensuring adherence to LabCorp's high-quality standards.
- Consistently maintained a 99% accuracy rate in testing and reporting results, surpassing LabCorp's quality control targets and minimizing the risk of errors in patient care.

Laboratory Assistant at Quest Diagnostics, NY

Sep 2022 - Apr 2023

- Successfully processed and analyzed over 5,000 patient samples in a year, maintaining a 99% accuracy rate and contributing to the timely delivery of accurate test results for healthcare providers.
- Implemented a new inventory management system that reduced supply waste by 30%, saving the laboratory an estimated \$10,000 annually while ensuring the availability of necessary supplies for testing procedures.
- Trained and mentored 10 new laboratory assistants in a span of 2 years, improving the overall efficiency and productivity of the team by 20% and maintaining a consistent quality of work within the laboratory.

Certificates

American Society for Clinical Pathology (ASCP) Certification

Nov 2021

Medical Laboratory Technician (MLT)

Mar 2020
