## HOBBIES

## PROFILE

Dedicated Landscape Technician with 1 year of hands-on experience in landscape maintenance and design. Proficient in operating various tools and equipment, with a strong focus on safety and attention to detail. Demonstrates excellent teamwork, communication, and problem-solving skills, ensuring efficient and aesthetically pleasing results for clients. Eager to contribute to a dynamic team and continue developing skills in the landscape industry.

## EMPLOYMENT HISTORY

### ● Landscape Technician at Desert Green Creations, AZ

Feb 2023 - Present

- Successfully designed and executed over 50 landscape projects for residential and commercial clients in a span of 2 years, resulting in a 30% increase in company revenue.
- Significantly improved the efficiency of irrigation systems by implementing water-saving techniques, leading to a 25% reduction in water consumption for over 100 clients.
- Managed a team of 4 junior landscape technicians, providing training and guidance that improved their skills and increased overall team productivity by 20%.
- Developed and maintained strong relationships with suppliers and vendors, negotiating contracts that reduced material costs by 15% and increased the availability of high-quality plant materials for projects.

### ● Landscape Technician Assistant at Arizona Landscape Solutions, AZ

Aug 2022 - Jan 2023

- Successfully completed the installation of an irrigation system for a 2-acre commercial property, resulting in a 20% reduction in water usage and saving the client approximately \$10,000 annually.
- Collaborated with a team of 5 technicians to design and implement a sustainable native plant garden for a local community center, increasing their green space by 30% and attracting over 500 new visitors within the first month.
- Assisted in the renovation of a 1-acre residential landscape, incorporating drought-tolerant plants and xeriscaping techniques, which led to a 50% reduction in maintenance costs for the homeowner and a feature in Arizona Landscape Magazine.
