### Employment History

#### Lease Operator at NGL Water Solutions DJ, LLC, CO

Feb 2023 - Present

- Successfully managed a lease portfolio of over 150 wells, ensuring optimal production and maintaining a 98% operational efficiency rate throughout the tenure.
- Reduced operating costs by 15% through the implementation of cost-effective maintenance practices and streamlining processes, resulting in annual savings of \$200,000 for the company.
- Identified and resolved numerous well performance issues, increasing overall production by 10% and contributing to an additional revenue of \$500,000 per year.
- Collaborated with cross-functional teams to implement a new water disposal system, reducing water hauling expenses by 25% and improving overall environmental compliance.

#### Assistant Lease Operator at PDC Energy, Inc, CO

Jul 2022 - Dec 2022

- Successfully negotiated and executed 15 new lease agreements within a year, resulting in a 20% increase in the company's leased acreage in the CO region.
- Streamlined lease management processes by implementing a new digital tracking system, reducing administrative workload by 30% and improving overall efficiency.
- Identified and resolved 10 potential lease conflicts, preventing potential legal disputes and saving the company an estimated \$500,000 in litigation costs.
