EMPLOYMENT HISTORY

● Licensed Practical Nurse at Sanford Health, ND

May 2023 - Present

- Successfully managed the care of over 50 patients per shift in a fast-paced acute care setting, ensuring timely and accurate administration of medications and treatments as prescribed by healthcare providers.
- Streamlined patient documentation processes, reducing time spent on paperwork by 20% and allowing for increased focus on direct patient care and support.
- Collaborated with an interdisciplinary team to develop and implement individualized care plans for patients with complex medical conditions, resulting in a 30% improvement in patient outcomes within six months.
- Led a quality improvement initiative to reduce hospital-acquired infections on the unit, implementing infection control protocols and staff education programs that led to a 40% reduction in infection rates over one year.

● Entry-Level Licensed Practical Nurse at CHI St. Alexius Health, ND

Jul 2021 - Apr 2023

- Successfully administered medications and treatments to over 50 patients daily, ensuring proper dosages and timely administration according to physician orders.
- Efficiently managed the care of up to 20 patients per shift, collaborating with interdisciplinary team members to develop individualized care plans and monitor progress.
- Achieved a 95% patient satisfaction rate by providing compassionate, patient-centered care and addressing concerns promptly during a 6-month evaluation period.
