

Josefina Fahy

Linux Administrator

Details

josefina.fahy@gmail.com

(639) 000-1794

123 Maple Street, Milwaukee, WI 53202

Profile

A highly skilled Linux Administrator with 2 years of experience in managing, configuring, and optimizing Linux systems for optimal performance and security. Proficient in various Linux distributions, scripting languages, and system tools, with a strong focus on automation, troubleshooting, and efficient issue resolution. Demonstrated ability to collaborate effectively with cross-functional teams and deliver results in fast-paced environments. Seeking opportunities to leverage technical expertise and drive continuous improvement in Linux-based systems.

Employment History

Linux Administrator at Red Hat, WI

Feb 2023 - Present

- Implemented a server migration for over 150 clients, resulting in a 30% reduction in infrastructure costs and a 20% improvement in system performance.
- Developed and deployed an automated backup solution for critical systems, leading to a 99.9% data recovery success rate and reducing downtime by 50%.
- Optimized the Linux server environment by conducting a comprehensive performance analysis, leading to a 25% increase in processing speed and a 15% reduction in energy consumption.

Junior Linux Administrator at SUSE, WI

Jul 2021 - Dec 2022

- Implemented a server migration for over 50 clients, reducing system downtime by 30% and improving overall server performance by 20%.
- Successfully managed and maintained a Linux infrastructure consisting of 100+ servers, achieving 99.9% uptime and increasing overall system stability.
- Streamlined the deployment process for new Linux servers, reducing setup time by 40% and enabling the onboarding of 10 additional clients within a 6-month period.
