## Profile

Diligent Loan Analyst with 1 year of experience in assessing creditworthiness, analyzing financial data, and providing recommendations for loan approvals. Adept at streamlining loan processes, maintaining regulatory compliance, and building strong relationships with clients. Skilled in leveraging analytical and problem-solving skills to optimize loan portfolios and contribute to the organization's financial success.

## Employment History

### Senior Loan Analyst at Georgia United Credit Union, GA

Feb 2023 - Present

- Successfully managed a loan portfolio of over $50 million, contributing to the overall growth and profitability of Georgia United Credit Union.
- Streamlined the loan underwriting process, reducing the average loan approval time by 25%, resulting in increased customer satisfaction and a 15% increase in loan applications.
- Identified and implemented new risk assessment strategies, leading to a 10% reduction in delinquency rates and improving the credit quality of the loan portfolio.
- Led a team of junior analysts in conducting thorough market research and analysis, uncovering new lending opportunities that resulted in a 20% increase in the credit union's market share for auto loans.

### Loan Analyst at Ameris Bank, GA

Sep 2022 - Jan 2023

- Analyzed and processed over 150 loan applications in a year, with a total value of $50 million, contributing to a 20% increase in the bank's loan portfolio.
- Successfully identified and mitigated credit risks for the bank, reducing loan defaults by 30% and saving the bank approximately $5 million in potential losses.
- Streamlined the loan analysis process by implementing new software tools and automating reports, resulting in a 25% reduction in processing time and increased efficiency.
- Collaborated with the sales team to acquire 50 new high-value clients for the bank, generating an additional $10 million in annual revenue.
