

Mckynlee Grear

Logistics Management Specialist

Profile

Results-driven Logistics Management Specialist with 2 years of experience in optimizing supply chain operations, enhancing efficiency, and reducing costs. Proficient in data analysis, inventory control, and transportation management, with a proven track record of developing and implementing innovative solutions. Adept at building strong relationships with vendors and collaborating with cross-functional teams, ensuring seamless coordination and timely delivery of goods. Committed to continuous improvement and staying current with industry trends to drive organizational success.

Employment History

Logistics Management Specialist at Werner Enterprises, DE

Feb 2023 - Present

- Successfully reduced transportation costs by 15% in one year by optimizing routes, renegotiating contracts with carriers, and implementing cost-effective solutions, resulting in annual savings of over \$500,000 for Werner Enterprises.
- Streamlined the supply chain process by implementing a new warehouse management system, which increased efficiency by 25% and reduced order processing time by 30%, leading to an improvement in customer satisfaction rates by 10%.
- Spearheaded a cross-functional team to develop and implement a strategic plan for reducing lead times by 20%, resulting in a significant reduction in inventory carrying costs and a 5% increase in on-time deliveries for key customers.

Associate Logistics Management Specialist at A. Duie Pyle, DE

Sep 2021 - Jan 2023

- Successfully reduced transportation costs by 15% over a one-year period, resulting in savings of \$1.2 million for A. Duie Pyle through strategic route optimization and carrier negotiations.
- Streamlined warehouse operations, improving efficiency by 20% and reducing lead times by 25% through the implementation of a new inventory management system and cross-functional team collaboration.
- Coordinated the successful relocation of a major distribution center within a tight three-month deadline, minimizing downtime and ensuring a seamless transition for customers and employees.
