

# Laveda Abramski

Loss Prevention Detective

## Profile

Diligent Loss Prevention Detective with 1 year of experience in effectively identifying, investigating, and preventing theft and other security breaches in retail environments. Proficient in conducting surveillance and apprehending suspects, while ensuring compliance with company policies and relevant laws. Strong communication and collaboration skills, with a proven ability to work seamlessly with store teams and law enforcement agencies to maintain a safe and secure environment for customers and employees.

## Employment History

### Loss Prevention Detective at Macy's, MD

Mar 2023 - Present

- Successfully reduced store shrink by 30% within the first year of employment by implementing effective loss prevention strategies, conducting thorough investigations, and collaborating with store management to address inventory discrepancies.
- Apprehended over 150 shoplifters in a 12-month period, resulting in a total recovery of approximately \$75,000 worth of merchandise and contributing to a significant decrease in overall theft incidents in the store.
- Conducted over 50 internal investigations leading to the identification and termination of 10 dishonest employees involved in theft, fraud, or policy violations, thereby improving the overall integrity of the workforce and reducing internal shrink.
- Developed and delivered comprehensive loss prevention training programs for over 200 store employees, resulting in increased awareness of loss prevention techniques and a 20% reduction in theft-related incidents.

### Loss Prevention Associate at T.J. Maxx, MD

Jul 2022 - Jan 2023

- Reduced overall shrinkage by 35% in one year through implementing effective loss prevention strategies, conducting regular audits, and closely monitoring high-risk areas within the T.J. Maxx store in Maryland.
- Successfully apprehended and assisted in the prosecution of over 20 shoplifters within a year, resulting in a 25% decrease in theft incidents and improving overall store security.
- Conducted comprehensive training sessions for over 50 employees on loss prevention best practices, leading to a 40% increase in awareness and vigilance among staff members in identifying potential theft or fraudulent activities.
- Collaborated with local law enforcement agencies to resolve 15 cases of external theft, resulting in the recovery of over \$10,000 worth of merchandise and strengthening the relationship between the store and the local community.
