Profile

Dedicated Loss Prevention Specialist with 1 year of experience in minimizing financial loss and ensuring asset protection. Proficient in conducting investigations, identifying theft patterns, and training staff on security protocols. Strong analytical and communication skills, with a proven track record of reducing shrinkage and maintaining a safe store environment.

Employment History

Loss Prevention Specialist at Securitas USA, MD

Mar 2023 - Present

- Reduced overall shrinkage by 25% within a year by implementing effective loss prevention strategies and closely monitoring high-risk areas, resulting in significant cost savings for clients.
- Conducted over 100 successful internal and external investigations, leading to the identification and apprehension of numerous individuals responsible for theft, fraud, and other security breaches.
- Developed and delivered comprehensive loss prevention training programs for over 200 employees, contributing to a 15% decrease in incidents related to employee negligence and non-compliance.
- Collaborated with local law enforcement agencies on multiple occasions, resulting in the successful recovery of over \$50,000 worth of stolen merchandise and the prosecution of offenders.

Loss Prevention Associate at Monument Security, MD

Sep 2022 - Feb 2023

- Successfully reduced inventory shrinkage by 25% within the first year of employment, through the implementation of effective loss prevention strategies and close collaboration with store management and staff.
- Conducted over 100 surveillance operations, leading to the identification and apprehension of 50 shoplifters and recovery of over \$20,000 worth of stolen merchandise.
- Spearheaded the training of 30 new hires in loss prevention policies and procedures, resulting in a 15% improvement in overall team performance and a decrease in internal theft incidents.
