EMPLOYMENT HISTORY

● Licensed Practical Nurse (LPN) at Bayada Home Health Care, NJ

Mar 2023 - Present

- Successfully managed the care of over 120 patients in a 12-month period, ensuring timely and accurate administration of medications, wound care, and other essential nursing services.
- Achieved a 95% patient satisfaction rating by providing compassionate and effective care, addressing patient concerns, and collaborating with interdisciplinary teams to develop personalized care plans.
- Reduced patient hospital readmissions by 20% through diligent monitoring of vital signs, early detection of potential complications, and prompt communication with supervising RNs and physicians.
- Trained and mentored 5 new LPNs in Bayada Home Health Care policies and procedures, resulting in their smooth integration into the team and improved overall patient care quality.

● Entry-Level Licensed Practical Nurse at Virtua Health, NJ

Sep 2021 - Jan 2023

- Successfully administered medication to over 30 patients daily, ensuring accurate dosage and timely delivery in adherence to Virtua Health's safety protocols.
- Effectively collaborated with a team of 5 Registered Nurses and 3 Licensed Practical Nurses to provide quality care for up to 50 patients per shift, resulting in a 95% patient satisfaction rate.
- Streamlined patient documentation processes by implementing an efficient digital filing system, reducing time spent on administrative tasks by 20% and allowing for more focused patient care.

EDUCATION
