

Kelcie Loniewski

Medical Coder

Profile

Detail-oriented Medical Coder with 1 year of experience in accurately translating patient information into alphanumeric medical codes. Proficient in ICD-10-CM, CPT, and HCPCS coding systems, ensuring compliance with industry standards and government regulations. Proven ability to maintain strict confidentiality and handle sensitive information professionally. Skilled in using electronic health record systems and collaborating with healthcare providers to ensure accurate and timely coding. Seeking opportunities to further develop coding expertise and contribute to efficient healthcare administration.

Employment History

Medical Coder at The Coding Network LLC, CT

Feb 2023 - Present

- Successfully increased coding accuracy rate to 98% by implementing new quality control measures and conducting regular audits, resulting in improved claim reimbursement rates for the company.
- Streamlined the coding process by developing and integrating a comprehensive coding guideline system, reducing coding time by 20% and increasing overall productivity.
- Trained and mentored a team of 10 new medical coders, leading to a 100% pass rate on their certification exams and contributing to the expansion of The Coding Network's workforce.
- Identified and resolved over 500 coding discrepancies in a single month, preventing potential claim denials and saving the company an estimated \$100,000 in lost revenue.

Medical Coding Specialist at Charter Oak Health Center, CT

Aug 2022 - Dec 2022

- Successfully increased coding accuracy by 25% within the first year of employment, resulting in a significant reduction in billing errors and improved revenue cycle management for Charter Oak Health Center.
- Streamlined the medical coding process by implementing a new electronic health record (EHR) system, reducing manual input errors by 30% and increasing overall efficiency in the department.
- Trained and mentored four new medical coding specialists, leading to a 40% increase in department productivity and a 15% decrease in average claim processing time.
- Conducted a comprehensive audit of past medical claims, identifying and correcting over \$150,000 worth of under-coded and over-coded claims, ensuring accurate reimbursement and compliance with industry regulations.
