

Irva Schoenbachler

Middle School Teacher

Profile

Dedicated Middle School Teacher with 1 year of experience fostering engaging and inclusive learning environments for diverse students. Proficient in developing innovative lesson plans and incorporating technology to support varied learning styles. Committed to promoting critical thinking, collaboration, and social-emotional growth in young learners.

Employment History

Middle School Teacher at Delaware School District, DE

Apr 2023 - Present

- Implemented a new, engaging STEM curriculum for 7th and 8th graders, resulting in a 20% increase in standardized test scores in science and math over a two-year period.
- Developed and led an after-school tutoring program for struggling students, which helped 85% of participating students improve their overall grades by at least one letter grade within a single semester.
- Collaborated with a team of teachers to create an interdisciplinary project-based learning unit, increasing student engagement and leading to a 15% improvement in retention of key concepts across all subjects.
- Organized and supervised a successful annual school-wide community service event, involving over 300 students and raising over \$10,000 for local charities during my four years at Delaware School District.

Assistant Middle School Teacher at Brandywine School District, DE

Sep 2022 - Feb 2023

- Successfully improved the average test scores of 8th-grade students in math by 15% within one academic year through the implementation of innovative teaching techniques and personalized learning plans.
- Effectively collaborated with a team of 5 other middle school teachers to develop and implement a new interdisciplinary curriculum, resulting in a 20% increase in student engagement and participation in class activities.
- Played a key role in organizing and leading an after-school tutoring program for underperforming students, helping 30 students raise their grades by at least one letter grade within a semester.
- Coordinated and supervised a successful school-wide anti-bullying campaign, which led to a 25% decrease in reported bullying incidents and increased overall student satisfaction and feelings of safety at school.
