

Juliene Dmitriyev

Millwright

Profile

Dedicated Millwright with 4 years of experience in the installation, maintenance, and repair of industrial machinery and equipment. Proficient in troubleshooting issues and executing preventative maintenance plans while adhering to safety standards. Demonstrated skills in welding, rigging, and blueprint reading. Strong team player with excellent communication skills and a commitment to continuous learning and professional growth.

Employment History

Millwright at Precision Industrial Contractors, AZ

Mar 2023 - Present

- Successfully installed a 50-ton conveyor system for a major manufacturing plant within a tight deadline of 3 weeks, resulting in a 20% increase in production capacity.
- Overhauled and repaired 5 critical industrial pumps, reducing downtime by 30% and saving the company \$150,000 in potential lost revenue.
- Led a team of 4 millwrights in the precise alignment and assembly of a large-scale turbine system, achieving a 99.5% accuracy rate and improving overall efficiency by 15%.

Apprentice Millwright at Arizona Industrial Contracting, AZ

Jul 2019 - Jan 2023

- Successfully installed a new conveyor system at a manufacturing plant within 2 weeks, increasing production efficiency by 30%.
- Overhauled and maintained 5 industrial pumps, reducing downtime by 20% and saving the company \$50,000 in potential repairs.
- Assisted in the design and implementation of a preventive maintenance program for a large-scale facility, resulting in a 15% reduction in equipment breakdowns and a 10% increase in overall productivity.
