

PRESTON WOLBECK

MRI Technician

preston.wolbeck@gmail.com

(605) 914-1858

123 Maple Street, Nashville, TN 37201

PROFILE

Dedicated MRI Technician with 2 years of experience in delivering high-quality imaging services in fast-paced clinical environments. Proficient in operating advanced MRI equipment, maintaining patient safety, and ensuring clear, accurate diagnostic images. Strong background in adhering to safety protocols, collaborating with medical teams, and providing exceptional patient care. Demonstrated ability to adapt to new technologies and consistently contribute to efficient clinical operations.

HOBBIES

EMPLOYMENT HISTORY

● MRI Technician at Alliance HealthCare Services, TN

May 2023 - Present

- Successfully increased the efficiency of MRI scanning procedures by 20% through implementing a new scheduling system and optimizing daily workflows, resulting in reduced patient wait times and increased overall patient satisfaction.
- Conducted over 1,500 MRI scans annually with a 99% accuracy rate, leading to timely and accurate diagnoses for patients and contributing to the department's reputation for excellence in imaging services.
- Implemented a comprehensive training program for new MRI technicians, which led to a 30% reduction in onboarding time and improved overall staff competency in operating advanced MRI equipment.

● MRI Technologist at Envision Radiology, TN

Aug 2021 - Mar 2023

- Successfully increased patient throughput by 15% over a one-year period, resulting in improved efficiency and increased revenue for Envision Radiology.
- Implemented a new MRI protocol optimization initiative that reduced scan times by an average of 10%, enhancing patient comfort and allowing for more daily appointments.
- Achieved a 98% patient satisfaction rate through exceptional patient care and communication, contributing to a positive reputation for Envision Radiology in the community.
- Collaborated with a team to develop and implement a comprehensive quality assurance program, leading to a 20% reduction in image artifacts and improved overall image quality.

EDUCATION

Associate of Applied Science in Magnetic Resonance Imaging Technology at Chattanooga State Community College, Chattanooga, TN

Sep 2017 - May 2021

Relevant Coursework: Anatomy and Physiology, Medical Terminology, MRI Physics and Instrumentation, MRI Safety, Cross-Sectional Anatomy, MRI Procedures, Patient Care, Radiographic Pathology, and Clinical Externships.

CERTIFICATES

American Registry of Magnetic Resonance Imaging Technologists (ARMRIT) Certification

Oct 2021
