Profile

Dedicated MRI Technologist with 2 years of experience in providing high-quality diagnostic imaging services. Proficient in advanced MRI techniques, patient care, and cross-sectional anatomy. Strong background in adhering to safety protocols and collaborating with multidisciplinary teams. Committed to continuous professional development and staying current with industry advancements.

Employment History

MRI Technologist at Alliance HealthCare Services, WV

May 2023 - Present

- Successfully increased patient throughput by 20% in one year by optimizing scheduling and implementing process improvements, resulting in higher patient satisfaction and increased revenue for Alliance HealthCare Services.
- Implemented new safety protocols that reduced MRI-related incidents by 30% within the first six months, ensuring a safer environment for both patients and staff.
- Achieved a 98% accuracy rate in MRI image interpretation, contributing to more
 precise diagnoses and treatment plans for patients, and earning recognition as
 a top performer in the department.
- Led a team of junior technologists in a quality improvement project that reduced MRI equipment downtime by 15%, minimizing disruptions to patient care and maximizing department efficiency.

MRI Technologist Trainee at Envision Radiology, WV

Jul 2021 - Mar 2023

- Successfully completed over 150 MRI scans under supervision, maintaining a 98% accuracy rate and receiving positive feedback from senior technologists on image quality and patient care.
- Streamlined the MRI scheduling process by implementing a new booking system, resulting in a 20% increase in daily scan capacity and a 15% reduction in patient wait times.
- Assisted in training two new MRI Technologist Trainees, sharing knowledge and best practices to help them quickly become proficient in operating MRI equipment and providing high-quality patient care.

Certificates

American Registry of Magnetic Resonance Imaging Technologists (ARMRIT) Certification

Jul 2021

Registered MRI Safety Professional (RMSP)
