## EMPLOYMENT HISTORY

### ● Netsuite Consultant at NetSuite Support Services, PA

Mar 2023 - Present

- Successfully implemented NetSuite for a client, reducing their order processing time by 30% and increasing overall efficiency by 25%.
- Streamlined financial reporting processes for a major client, resulting in a 20% reduction in time spent on month-end close procedures and a 15% increase in data accuracy.
- Led a team of consultants in the successful completion of a complex data migration project, consolidating financial information from multiple legacy systems into NetSuite, ultimately reducing manual data entry by 40% and improving overall data integrity.

### ● Associate Netsuite Consultant at RSM US LLP, PA

Aug 2021 - Feb 2023

- Successfully implemented NetSuite for 10+ clients, resulting in a 25% increase in their operational efficiency and a 20% reduction in manual data entry errors.
- Streamlined financial reporting processes for a major client, leading to a 30% reduction in time spent on month-end closing activities and a 15% improvement in report accuracy.
- Designed and executed a custom NetSuite training program for a client's staff of 50+ employees, leading to a 40% increase in user proficiency within three months and a 35% reduction in support tickets.
- Conducted a comprehensive system audit for a large client, identifying and resolving over 100 critical issues, improving system performance by 20%, and ensuring compliance with industry standards.
