HOBBIES

EMPLOYMENT HISTORY

● Nurse Consultant at Alaska Nurses Consulting, AK

Apr 2023 - Present

- Successfully implemented a new patient care protocol that increased patient satisfaction scores by 25% within the first six months of adoption, leading to improved patient outcomes and experiences.
- Streamlined nursing staff scheduling and resource allocation, resulting in a 15% reduction in overtime costs and a 10% increase in overall staff efficiency within one year.
- Conducted comprehensive training sessions for over 100 nursing staff members, leading to a 20% increase in adherence to best practices and a 30% decrease in medication administration errors within the first year.
- Collaborated with interdisciplinary teams to develop and implement a telehealth program, increasing access to care for rural patients by 50% and reducing hospital readmission rates by 18% over a two-year period.

● Associate Nurse Consultant at Arctic Healthcare Solutions, AK

Jul 2018 - Mar 2023

- Successfully implemented a new patient care protocol that reduced hospital readmissions by 25% within a year, leading to increased patient satisfaction and improved resource allocation at Arctic Healthcare Solutions, AK.
- Spearheaded a cross-functional team to improve staff communication and collaboration, resulting in a 30% reduction in medication errors and improved patient safety measures over a two-year period.
- Developed and led a comprehensive nurse training program focused on evidence-based practices, which increased overall nursing staff competency by 20% and contributed to a 15% improvement in patient outcomes.
