EMPLOYMENT HISTORY

● Nurse Extern I at St. Peter's Health, MT

Mar 2023 - Present

- Successfully assisted in the care of over 150 patients during a 3-month externship, contributing to a 20% reduction in patient wait times and improving overall patient satisfaction scores.
- Effectively collaborated with a team of 10 nurses and healthcare professionals to provide high-quality care for patients, resulting in a 15% decrease in medication errors and a 10% increase in patient safety measures.
- Streamlined the documentation process by implementing a new electronic health record system, reducing paperwork by 30% and increasing efficiency in patient information management.
- Developed and presented a comprehensive patient education program on chronic disease management, leading to a 25% increase in patient compliance with treatment plans and a 10% improvement in long-term health outcomes.

● Nurse Extern II at Providence St. Joseph Medical Center, MT

Aug 2022 - Feb 2023

- Successfully completed over 1,000 hours of clinical rotations in various units, including medical-surgical, critical care, and emergency departments, gaining valuable hands-on experience in patient care and treatment plan implementation.
- Efficiently managed the care of up to 10 patients per shift, ensuring accurate medication administration, vital sign monitoring, and timely documentation, resulting in a 95% patient satisfaction rating during the externship.
- Collaborated with a multidisciplinary team of healthcare professionals to develop and implement care plans for high-risk patients, contributing to a 20% reduction in hospital readmission rates within a six-month period.
- Actively participated in quality improvement initiatives, such as infection control measures and patient safety protocols, leading to a 15% decrease in hospital-acquired infections and a 10% increase in overall patient safety scores during the externship.
