Profile

Dedicated Nurse Technician with 1 year of experience in providing exceptional patient care and support in various healthcare settings. Proficient in assisting with clinical procedures, maintaining patient records, and ensuring a comfortable and safe environment for patients. Strong team player with excellent communication skills and a commitment to continuously improving nursing practices.

Employment History

Nurse Technician at MedStaff Nationwide, CT

Apr 2023 - Present

- Successfully managed the care of over 50 patients daily, ensuring timely administration of medication, accurate documentation of vital signs, and efficient coordination with the nursing team.
- Streamlined patient intake and discharge processes, reducing average wait times by 30% and significantly improving patient satisfaction scores in the unit.
- Implemented a new infection control protocol that led to a 40% reduction in hospital-acquired infections within six months, contributing to improved patient outcomes and overall safety.

Nurse Technician Assistant at Hartford HealthCare, CT

Jul 2022 - Feb 2023

- Successfully managed the care of over 50 patients daily, ensuring timely administration of medications and treatments while maintaining a 98% patient satisfaction rating.
- Streamlined the patient intake process, reducing patient wait times by 30% and increasing overall efficiency in the emergency department.
- Collaborated with a team of healthcare professionals to develop and implement a new patient education program, resulting in a 25% increase in patient understanding and adherence to treatment plans.
