## EMPLOYMENT HISTORY

### ● Nursing Attendant at Spectrum Health, MI

May 2023 - Present

- Successfully assisted in the care of over 1,000 patients during a one-year period, providing essential support to nursing staff and ensuring a high standard of patient care at Spectrum Health, MI.
- Streamlined patient admission and discharge processes, reducing average wait times by 20% and improving overall patient satisfaction ratings by 15%.
- Received recognition for maintaining a 98% compliance rate with infection control protocols, resulting in a decrease in hospital-acquired infections by 25% over a six-month period.
- Participated in a hospital-wide initiative to improve patient communication, contributing to a 10% increase in patient understanding of care plans and a 12% reduction in readmission rates.

### ● Nursing Attendant Assistant at Ascension Michigan, MI

Aug 2022 - Mar 2023

- Successfully assisted in the care of over 100 patients daily, ensuring timely and accurate administration of medications, monitoring vital signs, and providing emotional support.
- Streamlined the patient admission and discharge process, reducing patient wait times by 30% and improving overall patient satisfaction rates.
- Collaborated with a team of 10 nurses and healthcare professionals to develop and implement individualized care plans for patients, resulting in a 15% decrease in hospital readmission rates.
- Trained and mentored 5 new Nursing Attendant Assistants, contributing to a 20% increase in department efficiency and a reduction in staff turnover.
