

Taunia Kearny

Nursing Supervisor

Profile

A dedicated and compassionate Nursing Supervisor with 5 years of experience in managing nursing staff and overseeing patient care. Proficient in developing care plans, ensuring regulatory compliance, and maintaining nursing best practices. Demonstrated success in staff development, interdisciplinary collaboration, and enhancing patient satisfaction. Committed to providing exceptional care and fostering a supportive and team-oriented work environment.

Employment History

Nursing Supervisor at Virtua Health, NJ

May 2023 - Present

- Successfully managed a team of 20 nurses, ensuring a 95% patient satisfaction rate and contributing to Virtua Health's overall improvement in patient care quality.
- Implemented new protocols for medication administration, reducing medication errors by 30% and enhancing patient safety within the department.
- Spearheaded a training program for nursing staff, resulting in a 50% increase in certification rates and boosting employee morale and retention rates.
- Collaborated with interdisciplinary healthcare teams to decrease patient length of stay by 10%, optimizing bed utilization and improving patient throughput.

Assistant Nursing Supervisor at Atlantic Health System, NJ

Sep 2018 - Apr 2023

- Successfully managed a team of 30 nurses and support staff, leading to a 15% increase in patient satisfaction scores within the first year of supervision at Atlantic Health System, NJ.
- Implemented a comprehensive training program for new nursing hires, resulting in a 20% reduction in onboarding time and a 10% improvement in staff retention rates over a two-year period.
- Streamlined patient care coordination processes by introducing an efficient electronic health record system, leading to a 25% reduction in paperwork and administrative tasks and allowing nursing staff to dedicate more time to direct patient care.
