

Marvie Muffoletto

Obiee Consultant

Profile

Results-driven Obiee Consultant with 2 years of experience specializing in business intelligence solutions and Oracle analytics. Proficient in data analysis, dashboard creation, and report generation, with a strong aptitude for understanding client requirements and delivering customized solutions. Demonstrated success in collaborating with cross-functional teams and improving overall system performance. Seeking opportunities to leverage expertise in Obiee to drive data-driven decision making and optimize business processes.

Employment History

Obiee Consultant at Eagle Creek Software Services, KS

Feb 2023 - Present

- Implemented a comprehensive OBIEE system for a major client, resulting in a 35% increase in data-driven decision-making efficiency and a 20% reduction in operational costs.
- Developed and optimized over 50 custom reports and dashboards for various departments within the organization, leading to a 25% improvement in overall reporting accuracy and timeliness.
- Successfully managed a team of 6 OBIEE developers to deliver a large-scale data migration project ahead of schedule, resulting in a 15% cost saving for the company.
- Conducted extensive training sessions for over 100 end-users on OBIEE functionalities and best practices, leading to a 30% increase in user adoption and satisfaction rates.

Junior Obiee Consultant at Cognizant Technology Solutions, KS

Jul 2021 - Jan 2023

- Successfully implemented an end-to-end OBIEE solution for a major client, resulting in a 20% increase in their operational efficiency and a 15% reduction in report generation time.
- Streamlined the data integration process for a large-scale project by designing and developing custom data marts, leading to a 30% improvement in data quality and a 25% reduction in ETL processing time.
- Led a team of 5 consultants to upgrade a client's OBIEE platform from version 11g to 12c, resulting in a 40% performance improvement and a 10% reduction in maintenance costs.
