PROFILE

An Ordinary Seaman with 1 year of experience in the maritime industry, demonstrating a strong work ethic and commitment to safety. Possesses practical knowledge of ship operations, maintenance, and repair, with a keen ability to follow orders and work as a team player. Proficient in maritime terminology and familiar with various types of vessels, seeking opportunities to further develop skills and contribute to a dynamic seafaring environment.

EMPLOYMENT HISTORY

● Ordinary Seaman at Seafarers International Union, FL

Apr 2023 - Present

- Successfully completed over 20 maritime voyages, covering a total distance of 45,000 nautical miles, while maintaining a 100% safety record and ensuring timely delivery of cargo.
- Played a crucial role in reducing shipboard operating costs by 15% through effective resource management and implementing energy-efficient practices, contributing to the overall profitability of the organization.
- Proactively participated in various training programs, including firefighting, life-saving, and personal survival techniques, leading to an increase in crew competency levels by 25% and enhancing overall operational efficiency.

● Able Seaman at Crowley Maritime Corporation, FL

Sep 2022 - Feb 2023

- Successfully completed over 150 maritime voyages with a 100% safety record, ensuring the safe transportation of more than 250,000 tons of cargo during a 3-year period at Crowley Maritime Corporation, FL.
- Efficiently managed the maintenance and repair of the ship's deck equipment, resulting in a 20% reduction in equipment downtime and contributing to increased operational efficiency for the company.
- Played a crucial role in the implementation of new safety procedures and training programs for the deck crew, leading to a 30% decrease in on-board accidents and improved overall safety standards.
