Profile

Dedicated Orthodontist with 7 years of experience providing high-quality orthodontic care to patients of all ages. Proficient in advanced treatment techniques, including Invisalign and traditional braces, ensuring optimal patient outcomes. Strong commitment to patient satisfaction and comfort, while maintaining efficient practice management. Demonstrated ability to collaborate effectively with multidisciplinary teams and remain current on industry advancements.

Employment History

Orthodontist at Orthodontic Partners, VA

Mar 2023 - Present

- Successfully treated over 1,500 patients with various orthodontic issues, significantly improving their oral health and overall confidence.
- Implemented a new patient management system that increased patient satisfaction by 30% and streamlined appointment scheduling, leading to a 15% increase in overall productivity.
- Developed and led a team of 6 dental assistants and administrative staff, providing ongoing training and mentorship, which resulted in a 25% decrease in staff turnover and a more cohesive work environment.
- Initiated and organized an annual community outreach program, offering free orthodontic consultations and discounted services to underprivileged families, resulting in the treatment of over 200 patients who otherwise could not afford orthodontic care.

Associate Orthodontist at Virginia Family Dentistry, VA

Jul 2020 - Jan 2023

- Successfully treated over 500 patients with various orthodontic needs, including complex cases involving surgical procedures and interdisciplinary treatments, resulting in improved oral health and patient satisfaction.
- Streamlined the workflow for the orthodontic department, reducing patient wait times by 20% and increasing overall practice efficiency, leading to a 15% increase in new patient appointments within one year.
- Implemented a comprehensive continuing education program for the orthodontic team, resulting in a 30% increase in staff knowledge and expertise, and contributing to improved patient care and outcomes.

Orthodontic Resident at Neibauer Dental Care, VA

Aug 2016 - Jun 2020

- Successfully treated over 150 patients with varying orthodontic needs, resulting in improved oral health and confidence for each individual.
- Implemented a new digital treatment planning system, reducing appointment times by 20% and increasing overall patient satisfaction.
- Conducted an in-depth research project on the effectiveness of clear aligners vs. traditional braces, leading to a 10% increase in clear aligner treatments at Neibauer Dental Care.
