## EMPLOYMENT HISTORY

### ● Park Ranger at New Hampshire Division of Parks and Recreation, NH

Apr 2023 - Present

- Successfully managed and maintained over 20 state parks in New Hampshire, ensuring the preservation of natural resources, visitor safety, and high-quality recreational experiences for over 2 million annual visitors.
- Developed and implemented a comprehensive educational program for park visitors, resulting in a 30% increase in program attendance and a 25% increase in overall visitor engagement and satisfaction.
- Coordinated and led a team of 15 seasonal employees and 50 volunteers in the successful execution of various park initiatives, including trail maintenance, habitat restoration, and visitor services, contributing to a 10% increase in annual park revenue.

### ● Assistant Park Ranger at White Mountain National Forest, NH

Jul 2022 - Feb 2023

- Successfully managed and maintained over 50 miles of hiking trails within White Mountain National Forest, resulting in a 20% increase in visitor satisfaction and a 10% increase in annual visitation.
- Coordinated and led 30+ educational programs and workshops for more than 500 visitors, contributing to a 15% increase in public awareness and engagement with the park's conservation efforts.
- Streamlined the park's volunteer program, recruiting and training over 100 volunteers who contributed over 2,000 hours of service to trail maintenance, visitor services, and environmental stewardship projects.
