

Sharron Derrett

Patrol Officer

Profile

Dedicated Patrol Officer with 1 year of experience in maintaining public safety, enforcing laws, and responding to emergencies. Proven ability to build positive community relations, diffuse tense situations, and conduct thorough investigations. Adept at writing detailed reports, collaborating with law enforcement agencies, and providing testimony in court. Seeking opportunities to contribute strong policing skills and commitment to serving the community.

Employment History

Patrol Officer at Michigan State Police, MI

Mar 2023 - Present

- Successfully reduced crime rates in the assigned patrol area by 25% over a two-year period, through proactive policing strategies and effective collaboration with local community members and organizations.
- Conducted over 500 traffic stops and issued more than 200 citations annually, resulting in a 15% decrease in traffic violations and a 10% reduction in accidents within the patrol area.
- Responded to over 300 emergency calls annually, providing critical assistance in various situations, including medical emergencies, domestic disturbances, and criminal investigations. Consistently maintained a response time of under 5 minutes, contributing to the overall efficiency and effectiveness of the Michigan State Police force.
- Participated in a successful drug enforcement operation that resulted in the seizure of over \$1 million worth of illegal narcotics and the arrest of 15 individuals involved in drug trafficking within the state of Michigan.

Police Officer I at Detroit Police Department, MI

Aug 2022 - Feb 2023

- Successfully reduced crime rate by 15% in a high-crime neighborhood through targeted patrols and increased community engagement, resulting in a safer environment for residents and businesses.
- Conducted over 200 felony arrests and assisted in the successful prosecution of 90% of those cases, contributing to a significant decrease in criminal activity in the district.
- Implemented a community policing initiative that led to a 25% increase in anonymous tips and a 10% reduction in response time for emergency calls, improving public trust and overall efficiency in the department.

Education

Associate of Applied Science in Criminal Justice at Macomb Community College, Warren, MI

Sep 2017 - May 2022
