

# Tedra Weade

Personal Care Aide

## Profile

Dedicated Personal Care Aide with 1 year of experience providing compassionate care to individuals with various needs. Skilled in assisting with daily living activities, medication management, and ensuring the safety and comfort of clients. Demonstrates excellent communication and problem-solving abilities. Committed to enhancing clients' quality of life and fostering independence.

## Employment History

### Personal Care Aide at Visiting Angels, GA

Apr 2023 - Present

- Successfully managed the care of over 50 clients in a one-year period, ensuring that they received personalized and attentive assistance with daily living activities such as bathing, dressing, and meal preparation.
- Implemented a new communication system between Personal Care Aides and supervisors, which resulted in a 30% decrease in scheduling conflicts and improved overall coordination of client care.
- Developed and led a support group for family members of clients, providing valuable resources and emotional support to over 20 families, leading to increased satisfaction with Visiting Angels services and a 15% increase in client referrals.

### Personal Care Assistant at Right at Home, GA

Sep 2022 - Feb 2023

- Successfully assisted 30+ clients in maintaining their independence and improving their quality of life by providing personalized in-home care services, including medication management, meal preparation, and mobility assistance.
- Streamlined communication between clients, families, and healthcare professionals by implementing a centralized documentation system, resulting in a 40% reduction in communication errors and improved care coordination.
- Received the "Right at Home Caregiver of the Year" award in recognition of outstanding performance, dedication, and positive impact on clients' lives, as voted on by supervisors and peers across the Georgia region.
- Implemented a client-centered approach to care planning, which led to a 25% increase in client satisfaction scores and a 15% reduction in hospital readmission rates for clients under my care.
