

Vienna Gillson

Photo Retoucher

Profile

Photo Retoucher with 1 year of experience in efficiently enhancing and refining images for clients across multiple industries. Proficient in Adobe Photoshop, with a keen eye for detail and strong understanding of color correction, retouching techniques, and visual aesthetics. Adept at collaborating with photographers and art directors, delivering high-quality results within tight deadlines, and consistently exceeding client expectations.

Employment History

Senior Photo Retoucher at Texas Photo Retouching, TX

Mar 2023 - Present

- Successfully retouched and enhanced over 10,000 images for high-profile clients, resulting in a 95% satisfaction rate and an increase in repeat business by 20% during a 2-year period.
- Streamlined the retouching workflow by implementing new editing techniques and software tools, increasing overall efficiency by 30% and reducing turnaround time by 15%.
- Led a team of 5 junior retouchers in completing a large-scale project for a major fashion brand, delivering 500 high-quality images within a tight deadline of one week, exceeding client expectations.
- Provided training and mentorship to new hires, improving their skill sets and reducing onboarding time by 50%, contributing to a more productive and cohesive team environment.

Photo Retoucher at Pixel Fixers, TX

Aug 2022 - Feb 2023

- Successfully retouched and delivered over 10,000 high-quality images for various clients within tight deadlines, contributing to a 25% increase in overall company revenue during my tenure.
- Streamlined the retouching process by implementing new software, leading to a 30% reduction in time spent on each project and increasing team productivity by 15%.
- Trained and mentored a team of four junior photo retouchers, resulting in their consistent delivery of high-quality work and a 20% reduction in project turnaround time.
- Collaborated with the marketing team to develop visually striking promotional materials, resulting in a 10% increase in the client base and a 12% boost in website traffic.
