EMPLOYMENT HISTORY

● Plumber Assistant at Roto-Rooter Plumbing & Water Cleanup, LA

Mar 2023 - Present

- Successfully assisted in the completion of over 300 plumbing projects within a year, contributing to the team's 25% increase in annual revenue.
- Efficiently diagnosed and resolved 50+ complex plumbing issues per month, leading to a 30% reduction in customer complaints and a 20% increase in positive feedback.
- Collaborated with the lead plumber to implement new inventory management system, resulting in a 15% decrease in material waste and a 10% reduction in overall project costs.
- Consistently maintained a 95% on-time project completion rate, contributing to the company's reputation for reliability and leading to a 20% increase in repeat business.

● Apprentice Plumber at Mr. Rooter Plumbing of Lafayette, LA

Jul 2022 - Feb 2023

- Successfully completed 50+ plumbing installations, including water heaters, faucets, and toilets, resulting in increased customer satisfaction and positive feedback.
- Efficiently diagnosed and resolved 30+ complex plumbing issues, such as leaks and clogs, minimizing downtime for customers and saving them an estimated \$15,000 in potential water damage repairs.
- Assisted in the completion of a large-scale commercial plumbing project, installing over 100 fixtures and ensuring all work met local building code requirements.
- Improved team productivity by 20% through implementing streamlined processes and organizing weekly training sessions, leading to faster job completion times and increased client satisfaction.
