Employment History

Production Associate at Coca-Cola Bottling Company United, LA

May 2023 - Present

- Successfully increased production line efficiency by 15% through the implementation of continuous improvement strategies, resulting in a significant reduction in downtime and waste across the facility.
- Achieved a 10% reduction in production costs by identifying and implementing cost-saving measures, such as optimizing equipment usage, streamlining processes, and reducing material waste.
- Played a key role in a team that improved product quality by 8%, leading to higher customer satisfaction ratings and a decrease in product returns, through strict adherence to quality control standards and proactive problem-solving.
- Assisted in the successful launch of three new product lines, contributing to a 12% increase in overall company revenue and expanding the company's market share within the beverage industry.

Production Assistant at Bollinger Shipyards, LA

Sep 2022 - Apr 2023

- Successfully coordinated the production of 5 U.S. Coast Guard Fast Response Cutters within a 12-month period, ensuring timely delivery and contributing to a 20% increase in overall productivity for Bollinger Shipyards.
- Streamlined communication processes between various departments, resulting in a 30% reduction in project delays and a 15% improvement in overall team efficiency.
- Implemented innovative inventory management system, leading to a 25% reduction in material waste and a savings of \$50,000 in annual costs for Bollinger Shipyards.
