

# Nohemi Urquizo

Production Supervisor

## Profile

Results-driven Production Supervisor with 2 years of experience in overseeing and optimizing manufacturing processes. Proficient in implementing lean manufacturing principles and improving production efficiency. Demonstrated ability to manage cross-functional teams, reduce downtime, and ensure timely delivery of high-quality products. Strong communication and problem-solving skills, committed to fostering a safe and productive work environment.

## Employment History

### Production Supervisor at Cargill, KS

Feb 2023 - Present

- Successfully increased production efficiency by 15% within the first year by implementing process improvements and optimizing resource allocation, resulting in annual cost savings of \$500,000 for the Cargill plant in Kansas.
- Streamlined communication between departments, reducing downtime by 20% and increasing overall productivity by 10%, leading to a revenue increase of \$300,000 annually for the company.
- Led a team of 25 employees to achieve a 99% on-time delivery rate for all products, improving customer satisfaction and contributing to a 12% growth in new business for the Cargill Kansas plant.
- Implemented safety initiatives that reduced workplace accidents by 40% over two years, creating a safer work environment and saving the company \$200,000 in workers compensation costs.

### Assistant Production Supervisor at Spirit AeroSystems, KS

Aug 2021 - Jan 2023

- Successfully managed a team of 15 technicians, increasing overall productivity by 25% within the first year of joining Spirit AeroSystems.
- Streamlined manufacturing processes, resulting in a 20% reduction in production time and saving over \$500,000 in operational costs annually.
- Implemented new safety protocols, leading to a 30% decrease in workplace accidents and improved employee morale.
- Oversaw a major project that increased production capacity by 10%, enabling the company to meet increased demand while maintaining high-quality standards.
