English

Indonesian

## HOBBIES

Collecting vintage postcards

## PROFILE

Dedicated Pumper with 1 year of experience, adept at maintaining optimal production levels and ensuring smooth operations in oil and gas wells. Proficient in monitoring equipment, identifying issues, and conducting routine maintenance tasks. Strong commitment to safety and environmental compliance, with excellent communication and problem-solving skills.

## EMPLOYMENT HISTORY

### ● Pumper at Pumpco Services, GA

Mar 2023 - Present

- Successfully maintained a 98% equipment efficiency rate for pumping units across the company's Georgia operations, resulting in minimal downtime and increased productivity.
- Implemented a proactive maintenance schedule that reduced equipment failures by 35%, saving the company over \$500,000 in repair costs annually.
- Trained and mentored five new Pumpers, improving their skills and reducing onboarding time by 50%, which led to quicker deployment and increased workforce capabilities.
- Streamlined communication between the field and office teams, decreasing response time for equipment issues by 40% and ensuring timely resolutions to operational challenges.

### ● Assistant Pumper at Georgia Pumper Services, GA

Sep 2022 - Feb 2023

- Successfully maintained and optimized the performance of 50+ oil wells, resulting in a 15% increase in production and efficiency for Georgia Pumper Services during my tenure.
- Implemented a preventive maintenance program for well equipment, reducing downtime by 25% and saving the company \$50,000 annually in repair costs.
- Assisted in the training and onboarding of five new Assistant Pumpers, increasing team productivity by 20% and contributing to a safer work environment.
