PROFILE

Detail-oriented Purchasing Analyst with 2 years of experience in optimizing procurement processes, vendor management, and inventory control. Skilled in data analysis, cost reduction strategies, and negotiation, resulting in improved supply chain efficiency and cost savings. Proficient in various procurement software and tools, with a strong commitment to providing exceptional support to cross-functional teams.

EMPLOYMENT HISTORY

● Senior Purchasing Analyst at Cargill, KS

Apr 2023 - Present

- Successfully negotiated contracts with key suppliers, resulting in a 10% cost reduction and generating annual savings of \$2 million for Cargill's purchasing department in Kansas.
- Implemented an advanced procurement analytics system, leading to a 15% improvement in the accuracy of demand forecasts and a 20% reduction in inventory holding costs, while maintaining a 98% service level.
- Spearheaded a supplier consolidation initiative that reduced the number of suppliers by 30%, improving purchasing efficiency, and streamlining communication channels, ultimately contributing to an overall 5% reduction in operational costs.

● Junior Purchasing Analyst at Textron Aviation, KS

Sep 2021 - Feb 2023

- Successfully negotiated contracts with 15+ suppliers, resulting in a 10% average cost reduction and saving the company over \$500,000 annually.
- Implemented a new procurement software that streamlined the purchasing process, increasing efficiency by 25% and reducing order processing time by 30%.
- Conducted comprehensive market research on 50+ potential suppliers, identifying the top 10 most reliable and cost-effective options, which led to a 5% overall improvement in supply chain performance.
- Developed and presented quarterly reports on purchasing trends and supplier performance, leading to data-driven decision-making and contributing to a 7% increase in on-time deliveries from suppliers.
