## HOBBIES

## PROFILE

Diligent Quality Assurance Technician with 1 year of experience in ensuring product quality and compliance within the manufacturing industry. Adept at conducting tests, analyzing results, and implementing necessary improvements. Strong attention to detail, excellent problem-solving abilities, and a commitment to maintaining high standards of quality. Proficient in various testing methodologies and quality management systems.

## EMPLOYMENT HISTORY

### ● Quality Assurance Technician at Cognex Corporation, MI

May 2023 - Present

- Reduced product defects by 25% within the first year by implementing rigorous testing procedures and collaborating with cross-functional teams to address issues in a timely manner.
- Achieved a 99% on-time project completion rate by streamlining the QA process, which improved efficiency and resulted in faster product releases without compromising quality.
- Identified over 100 potential software bugs and worked closely with development teams to resolve them, ensuring a 95% success rate in preventing customer-reported issues.
- Conducted training sessions for 15 new QA technicians, increasing overall team productivity by 20% and fostering a culture of continuous improvement within the department.

### ● Associate Quality Assurance Technician at Intertek, MI

Sep 2022 - Apr 2023

- Successfully identified and resolved 95% of software defects and inconsistencies within the first two months of joining Intertek, MI, significantly improving overall product quality.
- Streamlined the testing process by implementing automated testing tools, resulting in a 30% reduction in manual testing time and a 25% increase in efficiency.
- Conducted thorough quality assurance audits for three major clients, ensuring compliance with industry standards and leading to a 100% client satisfaction rate.
- Collaborated with cross-functional teams to develop and execute test plans for four new products, leading to a 20% reduction in product launch delays and a 10% increase in overall product quality.
