

Ludella Nost

Railroad Conductor

Profile

Diligent Railroad Conductor with 1 year of experience in safely coordinating train operations, monitoring cargo, and managing passenger services. Skilled in effective communication, problem-solving, and prioritizing tasks to ensure smooth rail operations. Committed to adhering to strict safety protocols and providing excellent customer service. Eager to enhance existing skills and contribute to a successful and efficient rail transportation team.

Employment History

Railroad Conductor at BNSF Railway, SD

May 2023 - Present

- Successfully managed the safe transportation of over 10,000 railcars annually, ensuring on-time deliveries and a 99% customer satisfaction rate.
- Reduced train delays by 15% through effective communication and coordination with train crews, dispatchers, and yardmasters, resulting in improved overall operational efficiency.
- Implemented new safety protocols and trainings that led to a 20% decrease in on-the-job injuries, contributing to BNSF Railway's reputation as one of the safest railroad companies in the industry.
- Spearheaded a cross-functional team that identified and resolved track maintenance issues, reducing derailment incidents by 25% and saving the company an estimated \$1.5 million in potential damages and lost revenue.

Assistant Railroad Conductor at Dakota, Minnesota & Eastern (DM&E) Railroad, SD

Sep 2022 - Apr 2023

- Successfully completed 100% on-time departures for over 200 freight trains, ensuring efficient operations and customer satisfaction during a one-year period at DM&E Railroad, SD.
- Coordinated and managed the safe transportation of over 50,000 tons of cargo, including hazardous materials, while adhering to strict safety guidelines and federal regulations.
- Reduced train dwell time by 20% through improved communication and collaboration with train crews, dispatchers, and yard personnel, resulting in increased operational efficiency and cost savings for DM&E Railroad, SD.
- Recognized for exemplary safety performance, achieving zero accidents or incidents during a two-year period, contributing to the company's overall safety record and commitment to employee wellbeing.

Education

Associate of Applied Science in Railroad Operations at Southeast Technical College, Sioux Falls, SD

Sep 2018 - May 2022
