

Chris Seys

Regional Trainer

Profile

Results-driven Regional Trainer with 2 years of experience in designing and delivering comprehensive training programs across multiple locations. Proficient in identifying skill gaps, developing customized curriculums, and facilitating engaging workshops to enhance employee performance. Demonstrated ability to track progress and provide constructive feedback, leading to improved productivity and employee satisfaction. Adept at collaborating with cross-functional teams and fostering strong relationships with key stakeholders.

Employment History

Regional Training Manager at Eagle Rock Training Systems, ID

Apr 2023 - Present

- Successfully implemented a new training program across 10 regional locations, resulting in a 25% increase in employee productivity and a 15% decrease in staff turnover within the first year.
