## Employment History

---

### Registered Dietitian at Delaware Nutrition Consultants, DE

Apr 2023 - Present

- Successfully implemented a nutrition education program for over 500 individuals, resulting in a 35% decrease in obesity rates and a 25% increase in participants meeting daily recommended nutrient intake levels within the community.
- Streamlined the client assessment process by developing a comprehensive electronic database, reducing administrative work by 40% and allowing for more accurate tracking of patient progress and outcomes.
- Collaborated with local healthcare providers to create and deliver tailored nutrition plans for 200+ patients with chronic conditions, leading to a 50% improvement in their health markers and a 30% reduction in hospital readmission rates.

### Clinical Dietitian at Nutritionally Yours LLC, DE

Sep 2022 - Feb 2023

- Successfully designed and implemented a personalized nutrition program for over 150 clients, resulting in a 90% satisfaction rate and an average weight loss of 15 pounds within three months.
  - Conducted comprehensive nutritional assessments for more than 500 patients, which led to a 30% reduction in hospital readmissions related to malnutrition and improved patient outcomes.
  - Developed and delivered more than 50 professional presentations and workshops on various nutrition topics, reaching over 1,000 healthcare professionals and community members, increasing awareness and knowledge about the importance of proper nutrition.
  - Collaborated with a team of healthcare professionals to create and implement a new hospital-wide nutrition policy that increased patient satisfaction scores by 25% and reduced food waste by 20%.
-
