## Profile

As a Rig Welder with 2 years of experience, I am proficient in executing welding tasks according to industry standards, while adhering to safety protocols. With a strong background in operating various welding equipment and a proven ability to read and interpret blueprints, I consistently deliver high-quality welding solutions. Furthermore, my excellent communication and teamwork skills contribute to enhanced efficiency and productivity on projects.

## Employment History

**Rig Welder at WeldPro LLC, GA**

Apr 2023 - Present

- Completed a major pipeline project for a leading oil company within the stipulated 6-month timeline, resulting in a 15% increase in production capacity and contributing to a 10% growth in revenue for WeldPro LLC.
- Successfully reduced welding defects by 25% through implementing advanced welding techniques and conducting regular quality checks, leading to improved efficiency and reduced project costs for clients.
- Trained and mentored a team of 5 junior rig welders, increasing overall team productivity by 20% and reducing rework efforts by 30%, enabling WeldPro LLC to take on more projects and expand its client base.

**Rig Welder Assistant at Southern States Millwright Regional Council, GA**

Jul 2021 - Mar 2023

- Successfully assisted in the completion of a large-scale welding project for a major client, resulting in a 15% increase in overall productivity and efficiency for the company.
- Collaborated with a team of welders to complete a complex rigging project within a tight deadline, reducing labor costs by 10% and earning commendation from project managers.
- Implemented new safety protocols and training procedures for welding assistants, leading to a 20% reduction in workplace accidents and injuries over a one-year period.

## Certificates

**Certified Welding Inspector (CWI)**

Dec 2021

**Certified Rig Welder (CRW)**

Jun 2020

## Memberships

**American Welding Society (AWS)**
