Employment History

Risk Manager at Wyoming Financial Insurance, WY

Mar 2023 - Present

- Reduced the company's overall risk exposure by 30% through the implementation of a comprehensive risk management strategy, which involved analyzing risk factors, assessing potential impacts, and developing mitigation plans for various business operations at Wyoming Financial Insurance.
- Achieved a 25% reduction in insurance claims costs by streamlining the claims management process, implementing robust fraud detection measures, and enhancing communication between departments to ensure faster and more accurate claim resolutions.
- Successfully negotiated a 15% reduction in premium rates with insurance providers, saving Wyoming Financial Insurance over \$1 million annually, by leveraging industry benchmarking data and demonstrating the effectiveness of our risk management strategies.
- Developed and implemented a risk management training program for employees, resulting in a 20% decrease in workplace accidents and incidents, and contributing to a 10% improvement in overall operational efficiency within the company.

Associate Risk Manager at HUB International Mountain States Limited, WY

Sep 2018 - Feb 2023

- Successfully implemented a new risk assessment framework, leading to a 20% reduction in potential losses for the company.
- Streamlined the risk management process, resulting in a 15% increase in efficiency and a 10% reduction in operational costs.
- Identified and mitigated risks associated with a major client acquisition, preventing potential losses of over \$1.5 million.
- Led a team of junior analysts in conducting a comprehensive risk analysis for a high-profile project, which ultimately secured a \$3 million contract for the company.
