Employment History

Safety Director at SCANA Corporation, SC

Apr 2023 - Present

- Successfully reduced workplace accidents by 45% within two years by implementing comprehensive safety training programs and improving safety policies at SCANA Corporation, leading to a safer work environment for over 5,000 employees.
- Conducted thorough risk assessments and safety audits at all SCANA facilities, identifying potential hazards and implementing corrective actions that resulted in a 30% decrease in near-miss incidents during a one-year period.
- Achieved an OSHA recordable injury rate of less than 1.0 per 100 full-time workers for three consecutive years, significantly surpassing industry benchmarks and demonstrating a strong commitment to employee safety and well-being.

Assistant Safety Director at BMW Manufacturing Co., SC

Aug 2018 - Mar 2023

- Implemented a new safety training program for over 2,000 employees, resulting in a 25% reduction in workplace accidents and injuries within the first year.
- Conducted comprehensive safety audits across all departments, identifying and addressing over 100 potential hazards and ensuring compliance with OSHA regulations.
- Developed and executed an emergency response plan, coordinating with local emergency services and successfully managing two on-site incidents with zero injuries or fatalities.
- Established a Safety Committee consisting of representatives from each department, leading to a 40% increase in employee engagement and collaboration on safety initiatives.
