## PROFILE

Safety Manager with 5 years of experience in developing and implementing comprehensive safety programs across diverse industries. Adept at conducting risk assessments, leading incident investigations, and fostering a strong safety culture. Proficient in OSHA compliance, employee training, and continuous process improvement. Demonstrated ability to collaborate with cross-functional teams to achieve measurable results, reduce workplace incidents, and ensure employee well-being.

## EMPLOYMENT HISTORY

### ● Safety Manager at SafetySkills, OK

Feb 2023 - Present

- Successfully reduced workplace accidents by 45% over a two-year period through the implementation of comprehensive safety training programs and regular safety audits.
- Developed and executed a new emergency response plan that resulted in a 30% faster response time during simulated drills, increasing overall preparedness and minimizing potential harm to employees.
- Implemented a behavior-based safety program that led to a 25% reduction in near-miss incidents within the first year, ultimately creating a safer work environment for all employees.
- Collaborated with cross-functional teams to achieve a 98% compliance rate with OSHA regulations, resulting in zero fines or penalties during annual inspections.

### ● Assistant Safety Manager at Total Safety, OK

Aug 2018 - Jan 2023

- Implemented a comprehensive safety training program for over 200 employees, resulting in a 25% reduction in workplace accidents and injuries within the first year.
- Conducted thorough safety audits across all worksites, identifying and addressing over 150 potential hazards and non-compliance issues, leading to a 30% improvement in overall safety compliance.
- Successfully coordinated and managed the response to three major emergency incidents, ensuring zero fatalities and minimizing property damage by 40% compared to previous incidents.
